Dear Sir or Madam,

**High Speed Rail (Crewe – Manchester) Environmental Statement – Volume 5: Appendix CT-008-00000-Cross-topic Borrow pit report**

You recently took receipt of material relating to the High Speed Rail (Crewe – Manchester) Bill which is to be made available for inspection from next Monday, January 31 as previously agreed. The material included a copy of an Environmental Statement.

One of the documents contained within Volume 5 (technical appendices) of the Environmental Statement is a report on borrow pits. The document is referred to as Volume 5: Appendix CT-008-00000-Cross-topic Borrow pit report. I am writing to advise that a map book of three maps which should accompany this document, Volume 5: Map book Borrow pit (CT-32), and forms part of the Environmental Statement, was omitted from the material recently delivered to you.

Accordingly, please find enclosed an updated USB stick (with a yellow dot) containing the full suite of documents, including the above-mentioned map book. This USB stick should replace the one sent to you earlier this week.

For your information, all documents can be viewed online at [www.gov.uk/hs2-phase2b-crewe-manchester](http://www.gov.uk/hs2-phase2b-crewe-manchester).

Many thanks for your ongoing help and cooperation in this matter.

Yours sincerely

**Simon Knight**
