Mere and Tabley Community Club

Already a month into 2023!

Our Clubs AGM will have taken place by the time this article goes to print, and all officers will be up for re-election. In my experience, there aren't usually many hands going up to offer their services for responsible positions. Will I be eating my words this year?

Our winter games are in full swing.

Our domino and snooker teams are holding their own in their respective leagues. The Wednesday afternoon whist drives are a great opportunity for people to get together for a game of cards and a chat - with a cuppa and home baking!

The indoor bowls on Monday afternoon and Tuesday evenings are well supported, with over twenty people participating in each session. Our thanks to Linda Smith and Dave Godsmark for organising.

February is the month when our outdoor bowls section hold meetings to decide the makeup of the coming seasons teams. Yes it is only a few weeks away! We at Mere like to think we are very democratic. All bowling members can attend the meetings and have their say.

On Saturday 4th February, 54 club members and friends are off to the North Wales Bowling Centre at Prestatyn where a competition will be organised by Dave Godsmark. Afterwards the venue will provide a hot meal. Having been several times before, we are all looking forward to the day.

Meetings with our local Parish Councils have already been held to discuss the upcoming Coronation. We will be hosting an event on Sunday 7th May, so watch out for updates.

Like all other organisations, financial pressures have increased out of all proportion. With all costs rising dramatically, especially energy. We are fortunate to have a diligent treasurer, Roger, who puts an enormous amount of time trying to obtain the best deals.

My thanks to Roger and all members who support our Community Club, keeping it the hub of our parishes. Alan Greenway

News from St Paul's Church Over Tabley

St. Paul's Church, Tabley is affiliated to Rostherne and Little Bollington. Since the retirement of the Reverends Philip and Patricia Robinson twelve months ago, the parishes have been in vacancy. We have recently re advertised the post and await any responses. We are most fortunate to have Rostherne church warden, Christopher Tetlow who has done an amazing job in securing the services of Clergy to make sure all three churches have regular services.

The three churches work well together as recently demonstrated at Tabley's annual plough service. All three congregations gathered at St. Pauls for what proved to be a lovely occasion, celebrating the start of the farming year.

A small but dedicated group of people spend a deal of time trying to raise funds to ensure that this beautiful Victorian church remains open.

Our next major event is a bridge drive at Mere and Tabley Community Club on 23rd March.
